Sir,

This letter is in response to Office Action dated 6/27/02. Please find attached to this letter a request for a three month extension of time. Please amend the above-identified patent application as follows:

In the Claims:

Please amend Claim 26 as follows:

26. (amended) A freeze control system for a spa, wherein the spa is surrounded by ambient air having an ambient air temperature, said freeze control system comprising:
- A. a spa tub containing tub water having a tub water temperature,
 - B. spa piping for circulating water to and from said spa tub,
 - C. a heating element for producing heated water,
 - D. at least one water pump for pumping the heated water,
 - E. a first sensor for detecting said tub water temperature,
 - F. a second sensor for detecting said ambient air temperature, and
